 No. M:06-cv-01791-VRW STIPULATION AND PROPOSED ORDER TO SET BRIEFING AND HEARING
 SCHEDULE IN *CENTER FOR CONSTITUTIONAL RIGHTS V. BUSH*, CASE NO. 07-1115

1
2 **RECITALS**

3 1. *Center for Constitutional Rights v. Bush*, (Case No. 07-1115), is one of the
4 actions pending in this multi-district litigation proceeding, transferred by order of the Judicial
5 Panel on Multi-district Litigation from the United States District Court for the Southern District
6 of New York. This case has been brought against officers of the United States Government in
7 their official capacities and challenges alleged intelligence activities of the National Security
8 Agency. *See CCR Complaint* (Docket for 07-1115, No. 1, Part 2).

9 2. The transfer of the *CCR* case to this Court was docketed on or about February 23,
10 2007. *See Docket No. 1* (07-1115). Prior to its transfer from the Southern District of New York,
11 the parties in *CCR* had briefed respective dispositive motions. The Defendants in *CCR* had filed
12 a motion to dismiss or, in the alternative, for summary judgment, based on an assertion of the
13 state secrets privilege by the United States. *See Dkt. No. 1* (07-1115) at Parts 12-15. The
14 Plaintiffs in *CCR* had filed a motion for partial summary judgment. *See id.* at Parts 5-9. The
15 United States District Court for the Southern District of New York held a hearing on these
16 pending motions on September 5, 2006, but did not decide the motions prior to the transfer of
17 this case to this Court.

18 3. No schedule has previously been set in this MDL proceeding for consideration of
19 the pending dispositive motions in the *CCR* case and no prior Order of the Court required any
20 action in the *CCR* case.¹ Thus, upon taking account of the schedule of proceedings in other
21 MDL cases, the parties in *CCR* have negotiated this stipulation for any further briefing and a
22 hearing on the motions pending in *CCR*.

23
24 ¹ On February 20, 2007, the Court issued an order granting and denying in part a motion
25 by the United States to stay all MDL proceedings pending resolution of an appeal in *Hepting v.*
26 *AT&T*, Case No. 06-672. *See Dkt. No. 172* (06-1791). In that order, the Court directed the
27 defendants in pending MDL cases to answer or otherwise respond to the complaint in cases as to
28 which a stay was not agreed upon no later than March 29, 2007. Since the Defendants in the
CCR case had already responded to the Complaint in that case with the pending dispositive
motion, no schedule for further proceedings was set or required by the Court's February 20
Order.

4. The Defendants and Plaintiffs in *CCR* have reached agreement on and seek the Court's approval of a schedule for the filing of any supplemental briefs in *CCR* and a hearing on pending motions in that case. Under the proposed schedule: (i) the Defendants in *CCR* would file a supplemental brief setting forth any additional points and authority concerning the status and disposition of the *CCR* case by June 8, 2007; (ii) Plaintiffs in *CCR* would file a response to any submission by the Defendants and their own supplemental points and authority by June 29, 2007; and (iii) Defendants would file a reply brief by July 20, 2007.

4. The parties also propose that the Court hear the pending motions in CCR on August 9, 2007. The parties also request that the pending motions in CCR be heard separately from pending motions in other cases in this MDL proceeding that are scheduled on other dates.²

STIPULATION

The Plaintiffs and Defendants in the *CCR* action, through their undersigned counsel, hereby stipulate to the following schedule and request that the Court make this stipulation an order of the Court:

1. On or before June 8, 2007, the Defendants in *CCR* will file any supplemental brief setting forth any additional points and authority concerning the status and disposition of the *CCR* case (07-1115).
2. On or before June 29, 2007, Plaintiffs in *CCR* will file a response to any submission by the Government and their own supplemental points and authority in support of their position on the pending motions.
3. Defendants will file a reply brief by July 20, 2007.
4. On August 9, 2007, at 2 p.m., oral argument will be held on the pending motions in the *CCR* case (07-1115).

² The parties conferred with the Court's clerk and determined that the August 9 hearing date was available. However, if that date becomes unavailable, the parties request an opportunity to confer with each other and the Court before another date is set (in part because counsel for the Government is unavailable the following week).

1 DATED: May 24, 2007
